PROFESSIONAL PROFILE

Dedicated and forward-thinking **Veterinarian** with hands-on experience in clinical medicine, toxicology, and field diagnostics. Adept at applying pharmacological principles for animal welfare and preventive healthcare. Experienced in laboratory techniques, farm management, and farmer extension activities.

CORE SKILLS

- Animal Health & Clinical Management
- Poultry and Livestock Handling
- Histopathology & Laboratory Techniques
- RT-PCR & Basic Molecular Diagnostics
- Field-Level Veterinary Practices
- Disease Diagnosis & Preventive Care
- Vaccination and Deworming Protocols
- Pharmacology and Therapeutics
- Farm Biosecurity & Hygiene
- Farmer Communication & Extension Work

EDUCATIONAL QUALIFICATIONS

M.V.Sc. (Veterinary Pharmacology and Toxicology) — *College of Veterinary Science & A.H., Anand, Kamdhenu University*
2024-2026

B.V.Sc. & A.H. — *College of Veterinary Science & A.H., Anand, Kamdhenu University*
2018-2024

PRACTICAL & FIELD EXPERIENCE

Internship Programme (One Year) — *Various Centers under Kamdhenu University*

- Conducted at NGOs (Ahinshadham–Mundra), RAJUVAS–Bikaner, COVSc–Mhow, Indore, and multiple zoological parks (Sayajibaug Zoo–Vadodara, Kevadiya Zoological Park–Statue of Unity, Sakkarbaug Zoo–Junagadh).
- Worked at Livestock Research Stations, Veterinary Clinical Complexes and Dairies (Amul, Sumul, Banas).

- Gained extensive exposure to animal diagnostics, minor surgical procedures, vaccination and farmer outreach.
- Attended hands-on training in pharmacology, field diagnostics and animal handling during M.V.Sc. and internship period.

RESEARCH INTERESTS

Veterinary Pharmacology | Drug Toxicology | Veterinary Biotechnology | Clinical Pharmacokinetics | One Health & Translational Research

EXTENSION & VOLUNTEER ACTIVITIES

- Actively participated in “**Karuna Abhiyan**” (2022–2025) state wide campaign for rescue and treatment of injured birds.
- Assisted in bird rescue, first aid and rehabilitation activities during Makar Sankranti and summer seasons.
- Engaged in multiple farmer awareness and vaccination programs.
- Participated in **National Service Scheme (NSS) activities (2018)**, contributing to community outreach, animal welfare and public health awareness programs.

MEMBERSHIPS

- Lifetime Member, **Gujarat Veterinary Council (GVC)**
- Lifetime Member, **College of Veterinary Science & A.H., Anand, Kamdhenu University**
- Lifetime Member, **Society for Veterinary Sciences and Biotechnology**
- Lifetime Member, **Indian Society of Veterinary Pharmacology & Toxicology**

ACADEMIC EXPOSURE & TRAININGS

- Attended different workshops on pharmacological techniques.
- Participated in seminars, clinical case discussions and pharmacovigilance awareness sessions.
