### About Me

A highly motivated veterinarian with a strong foundation in animal health, diagnostics, and welfare, seeking to contribute meaningfully to a forward-thinking animal care or livestock health team. Passionate about bridging science and fieldwork, empowering animal owners through education, and promoting sustainable, ethical practices in animal health and production.

### Education Background

- College of Veterinary Science and Animal Husbandry, Kamdhenu University, Anand.  
**B. V. Sc. & A. H.**  
OGPA: 7.4  
Completed in January, 2024
- College of Veterinary Science and Animal Husbandry, Kamdhenu University, Anand.  
**M. V. Sc. Scholar in Veterinary Microbiology**
- FMCT school  
*H. S. C. -82.92%*  
Completed in March, 2018

### Professional Experience

- Participated in "Karuna Abhiyan" animal welfare campaigns (2022–2025) at Parevada Charitable Trust, Sayajibaug Forest Department – Vadodara, and COVSAH – Anand, assisting in rescue, treatment, and awareness drives for stray animals.
- Completed a one-year internship across diverse centers, including Ahinsadham NGO (Mundra), RAJUVAS (Bikaner), COVSc (Shirwal), multiple zoos (Sayajibaug, Kevadiya, Sakkarbaug), Livestock Research Stations, Veterinary Clinical Complexes of Kamdhenu University, and dairies like Amul, Sumul, and Banas.
- Proficient in animal care, diagnosis, and handling; experienced with lab techniques such as PCR, cell culture, microbial isolation, and antibiotic sensitivity testing, along with strong communication and teamwork skills.
