## *Director's Message*

**T**hank you for your interest in M.B. Veterinary College, Dungarpur, Rajasthan. We invite you to learn more about the outstanding education and professional opportunities offered at our institution. The core values of MBVET are integrity, teamwork, innovation, excellence, leadership, and professionalism. We at MBVET strive for the highest ethical standards in the performance of our duties. We hope to achieve success through collective performance adaptability and mutual respect.

**W**e are proudly committed to achieving superior result and to exceeding the expectations of our MBVET, Dungarpur. Administration, faculty, staff and students are all committed to going willingly and enthusiastically beyond what is expected, in order both to follow bold leadership and to give leadership to others so as to achieve superior results in veterinary education. We put the welfare of colleagues, students and sick animals above our own interest, and strive for altruism, accountability and respect for others.

**W**e welcome you to visit our modern campus and spend little bit of time with our caring and committed faculty members.

**W**e all look forward to seeing you in our campus.

Ashish Anand  
Director, MBVET

## *Message from Dean*

**I** congratulate all of you for having opted for joining M.B. Veterinary College, one of the prestigious colleges of RAJUVAS. I, myself and on behalf of my colleagues, welcome you all to the portals of one of the temples of learning to learn the art of Veterinary Medicine and Animal Sciences. My college boasts of having the best infrastructure available in anyone of the private veterinary colleges in Rajasthan. The faculty involved in grooming you to fulfill your dream of becoming good doctors, is an amalgam of very senior Professors drawn from prestigious institutions of our country namely SVVU, TANUVAS, RAJUVAS, GBPUAT, etc. and other young teachers drawn from various states of India. In fact, you are lucky to become a student of several teachers of your teachers.

**O**ur Library is very well equipped with latest books and journals. Whole campus is Wi-Fi enabled for your use. For a veterinarian it is very important to learn clinical skills, for imparting those clinical skill labs has been made created for your benefit and learning.

Prof. (Dr.) Vinod Kumar Sharma  
Dean

## ABOUT THE COLLEGE

Rajasthan is known for its rich animal wealth in terms of both quality and quantity. The livestock sector plays a very important role in the economy of the state and its people, as the state government earns more than 15% of its revenue from this sector. The rural masses, especially the economically weaker section, derive their livelihood from the animals. Keeping in view the importance of this sector, the state as well as the central governments are implementing many developmental programmes to progressively enhance the quality of animals, their production and reproduction to make the rural masses, especially the weaker section, self-reliant. To cater the needs of livestock sector, a quite large number of competent veterinary professionals equipped with the modern technologies would be consistently required. The state government, due to severe resource crunch, cannot bear the burden of opening the additional veterinary colleges as per the manpower need; accordingly it took an initiative to privatize the veterinary education and made the VCI regulation mandatory for imparting veterinary education in the state.

M.B. Health & Hygiene Nursing Shiksha Sansthan, Dungarpur, accepted the challenge and decided to open a veterinary college in the Dungarpur district of Rajasthan, keeping in view the need of the state in general and of that area in particular. The members of Society approached the Government of Rajasthan for seeking its permission to open the proposed veterinary college. The college is affiliated with the Rajasthan University of Veterinary & Animal Sciences (RAJUVAS), Bikaner recognized by Veterinary Council of India,

Ministry of Agriculture, Govt. of India. College follows course-curriculum as per Minimum Standard of Veterinary Education-2016 prescribed by the Veterinary Council of

India (VCI) New Delhi, with emphasis on disease of bovines including sheep & goats, camel, equines, poultry and companion animals to meet specific requirements of the state. College building is available for teaching, research and extension education with most modern clinical, para-clinical and production departments.

#### **LOCATION AND CLIMATE:**

The college has been named as “M.B. VETERINARY COLLEGE”. Near Railway Station, Th. Dungarpur, DistrictDungarpur. Main occupations of mostly peoples wereagriculture and live stock in the Dungarpur District. The animal husbandry also plays a very vital role in the rural economy. Opening of a veterinary college in this area shall boost the animal husbandry by way education and extension, and thus improve the standard of life of the rural masses.

#### **LIBRARY**

An excellent library having stacking and reading room measuring 3375 sqft is available for staff and students in the main building of the college. At present more than 2000 books of different disciplines, copies of M.V.Sc. departmental manuals, magazine and newspapers are available. Open access system is used for library references. Photocopier, Computer with

internet facilities are also available. The library is fully automated with internet facilities and e-journals.

### **MEETING / CONFERENCE HALL**

A spacious air conditioned meeting/conference hall is also available in the college main building. It has a capacity of 85 seats. Interactive audio visual cum LCD facilities are available. These facilities are being used for meeting, technical seminar, professional competition and contest, personality development etc. A modern auditorium has been planned to be

constructed.

### **GAMES AND SPORTS:**

There is volley ball court, badminton court, basketball court and ground for cricket and football for students and staff. Quality sport equipment helps the students to excel their sport talent.

### **VETERINARY CLINICAL COMPLEX**

Veterinary clinics are an integral part of ACVM academic activity. It serves dual purpose as it provides treatment to the sick animals and at the same time students gets hands on training on various types of clinical cases. The college is planning to create a center of excellence for equine i.e. stud management

and health care unit. In addition, initiatives have also been taken for

critical health care of livestock and crises management. Biotechnological intervention, propagation of germplasm, genetic engineering, molecular approach of vaccine production, toxicological and forensic medicine laboratory have also been planned. The clinics have ethno veterinary practice and use of latest technologies for diagnosis. Medicine, Surgery and Gynecological units have facilities of USG, X-

ray and other modern sophisticated equipments. The Clinical Complex has also facilities of Intensive Care Unit, Indoor & Outdoor wards including Rest House for the farmers of indoor cases. Not only this the Clinical Department have the facility of therapies related to acupuncture, hydrotherapy etc.

### **FARM COMPLEX**

Instructional Livestock Farm Complex is established as per the guidelines of Veterinary Council of India (VCI). The farm existing in near by the college. The farm currently houses cattle, buffaloes, sheep, goats, pigs, horses, chicken, duck and rabbits.

### **COMPUTER CELL / ARIS CELL:**

The college has a computer science laboratory with separate computer and thin-client networking, where PCs are interconnected to internet through Broadband. The laboratory is equipped with all types of modern technological facilities and is able to provide advanced training

to students on various aspects of computer applications. Separate facility is also available for the faculty. A set of computer and printer have been provided to VCC and LFC and all departments.

These centralized facilities are being used to prepare innovative classroom charts, projection slides, presentations, instructional manuals, notes and models. The faculty members motivate the students to prepare suitable demonstration charts, handouts and three-dimensional exhibits as an effective mode of learning.

### **STUDENT'S ACCOMODATION / HOSTEL**

The college provides on Campus accommodation for outstation students. There are four blocks for the girls. It provides accommodation for 200 students. The separate Boys hostel is situated at city near by the college. Each hostel is provided with spacious rooms, adequate storage areas, hygienic mess, a dining hall, a reading room with

newspapers, periodicals and magazines, a TV set etc. Strict discipline is

maintained in the hostel. The right of admission to the hostel is reserved with the Hostel Management Body functional under the Dean
